

Six-Day Guided Retreat

LIVING IN THE PRESENT MOMENT: THE POWER OF NOW

Monday, June 4 ~ Sunday, June 10, 2018

We can only experience the presence of God when the mind is still...when we are present, fully, and intensely, in the Now.

Retreatants will be helped to identify any obstacles that hinder the discovery of the richness of God's life within them so that they can regain an awareness of being and abiding in God's presence within. This is truly God's desire for each of us.
