~Retreat Facilitator: Sister Joan Atkinson, CSJ~

Joan is a Sister of St. Joseph in Canada and lives in London, Ontario. Her ministry has included education, retreat work and spiritual direction, and Congregational leadership. Presently she works in the Systemic Justice Office for her Congregation seeking to integrate the work of justice and the spiritual journey.

Joan says “In my retreat work, I bring these rich and diverse insights, from many sources: Gospels, spiritual writers, poetry, stories of people I have met, and my own listening to how God seems to be leading us into the future.”

Using a contemplative approach, explore how God is active in your life today. Learn from the past and be drawn forward. This retreat includes two input sessions daily, time for personal reflection, prayer and time for personal direction. All seekers welcome.
