*“The Soul is not in the Body...
the Body...is in the Soul”*

CS Lewis; 2006 Canadian Northern Calendar;
Meister Eckhart; OP theologian and mystic 14th cent.

A quote.... that could give retreatants a sense of the 'surround' of human experience and spiritual life.

The experience and response, which for animals and all creatures, is an alert system, but for humanity a way into interior awareness... sensation and response to Creator.

The intimate 'knowing' and being 'known' in God/Creator/the Other 'with us'...becoming new and even exciting.

Time and Solitude with others in this consciousness, could keep taking us beyond 'thinking' and hold us nearer to 'experience first' in whatever desire draws us to retreat time.
